BUSINESS MEETING ANNOUNCEMENTS

Review financial report to see if your contributions are reflected. If not, check to see when they were sent in. See Page 3 to see status of budget.

Green Can, PI/CPC – similar to pink can but for libraries. The purpose of the green can is to raise enough money to provide AA literature for the local libraries. This is a close ended activity. It will end when enough money has been raised, so we need a majority of the groups to participate. A specific dollar goal has not yet been determined.

Please take a group conscience on whether your group would be willing to participate in this activity and bring it to the next Intergroup Representative (IGR) meeting.
