NCCAA: Position is available. Barbara M. received more details on this position after the debate we had at our IG meeting, here is the info:

The process would be through your Intergroup. However you guys decide to have representation. I'm really excited to have some new faces. As the Intergroup rep to NCCAA you would be on the Steering committee of NCCAA. The next Steering committee meeting will be in Stockton on January 24th at 1:15 at the Stockton Alano Club 1812 Monte Diablo. If you go to our website at norcalaa.org and look for the Purpose, Structure and Functions handbook that will explain more about the steering committee. The Liaison to your Intergroup would attend the six Steering committee meetings a year, three in Stockton and three where the conferences will be held. If you or whomever is going to be the Liaison comes to the steering committee in January I can give you date and times and what questions you may have. Again this is exciting to have some new people.
